

Jazz for Juniors Incursions

*Hands-on Fun
for Under 7s...
we come to YOU!*

After two years of sell-out shows at His Majesty's Theatre, WAYJO is also now offering our Jazz for Juniors shows as Incursion Concerts to early primary schools & daycare centres.

Recommended for 7 year olds and younger, Jazz for Juniors runs a 40 minute show with interactive songs where young children learn about jazz instruments and styles, then a 20 minute hands-on instrument session to try some instruments especially designed for little people.
